# Smithfield Foods Takes Major Step in Cloud Journey by Moving SAP Workloads to Virtustream Enterprise Cloud

Virtustream, an enterprise-class cloud company and a Dell Technologies business, announced that Smithfield Foods, Inc., successfully completed the migration of all SAP systems onto a single, unified S4/HANA SAP platform on Virtustream Enterprise Cloud. As a result of the "One SAP" project, Smithfield is projected to save an estimated \$3M in IT costs over the next three years. [Read the story.](#)
